

**Non-Destructive High Resolution X-Ray
Microtomography and Live Animal
Imaging Workshop**

2nd May—3rd May 2011

At Adelaide Microscopy

Guest Speakers:

Associate Professor Allan Jones
Australian Centre for Microscopy and Microanalysis (ACMM)
University of Sydney

Dr. Ian Parkinson
Senior Medical Scientist
Bone and Joint Research Laboratory
Directorate of Surgical Pathology, SA Pathology and Hanson Institute.
Senior Lecturer, Discipline of Anatomy and Pathology, The University of Adelaide.

Dr. Egon Perilli
Senior Research Fellow
Bone and Joint Research Laboratory,
Directorate of Surgical Pathology, SA Pathology, Adelaide
Affiliated Lecturer, Discipline of Anatomy and Pathology, The University of Adelaide

Dr. Agatha Labrinidis
Senior Postdoctoral Fellow
Discipline of Orthopaedics and Trauma,
School of Medicine, Faculty of Health Sciences, The University of Adelaide

This workshop will cover :
**Applications, Standards, Parameters, Post Processing and Morphometric
Analysis, 3D Rendering and Segmentation, Live Animal Biophotonic Imaging
System (real-time bioluminescence and fluorescence imaging).**

Registration closes April 15th 2011
